

CLASS OF 1982:

You have been given an opportunity to view and compare some very profound changes in our national domestic policies. This occurrence is uniquely yours because of your particular time in high school. For the first time in many years, you will have at least two ways to measure the outcome of our country's programs. Standards of comparison are both vital and proper.

It is my hope that each of you develop a sense of purpose while at Souderton. The discriminating thought process you employ will assist everyone in a positive way. Let your influence be felt through involvement and fairness.

To each of you, I offer my warmest regards and best wishes.

Sincerely,

Albert Mancini

THEME

Time . . . what is it?
Four minutes between classes?
An hour and a half long Physics lab?
The final bell at 2:38?

* Time holds many different meanings for many different people. For those remaining a SAHS, time will probably be related to the number of days until graduation. But those of us who are moving on will have a whole new concept of time. Will we look at time as a 9 - 5 job, as a 10:00 class, or as 2100 hours?

* The 1982 Unaliyi has chosen to make Time its theme and to show, hopefully, how its passage has changed us all.

Dedication

Although many members of the faculty and staff have contributed to the character of the Senior Class, two individuals seem to stand out above the rest.

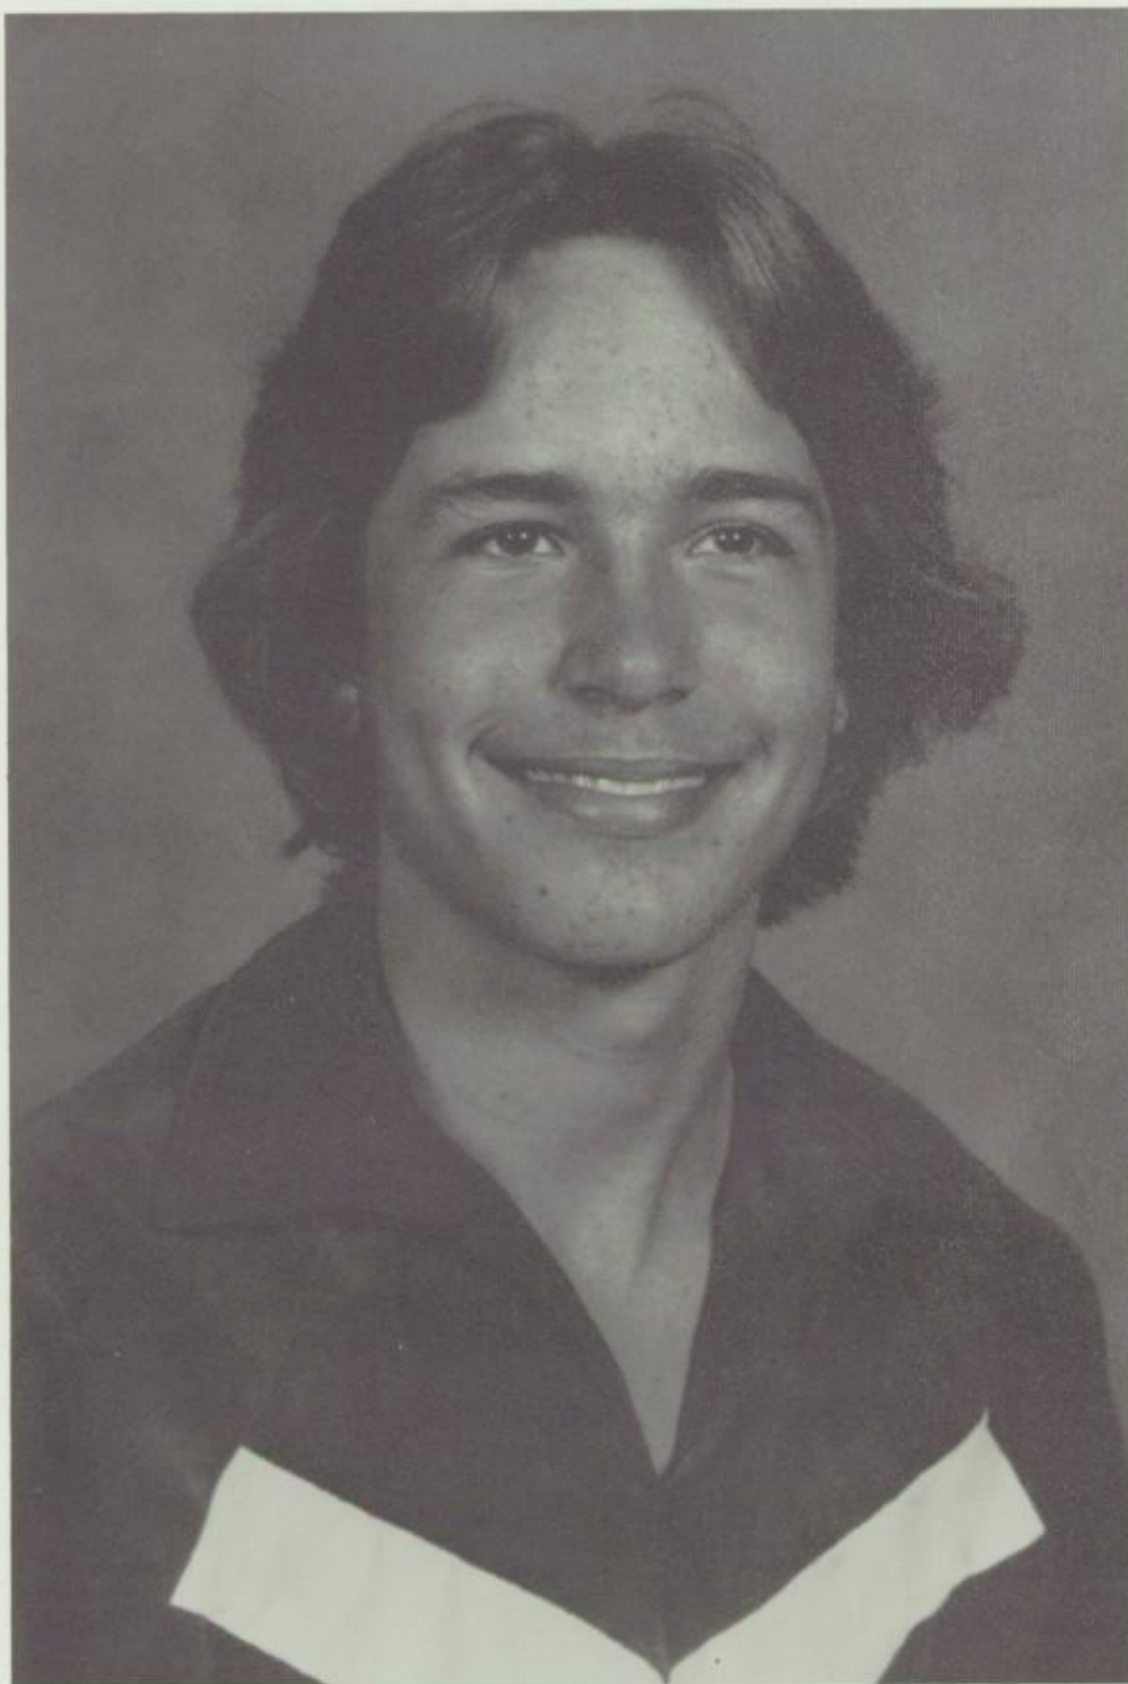

Our class advisor, Mrs. Winkler, has helped us through many trying times over the past 3 years. From the hectic zoo which was the Pancake Breakfast - to finding the "perfect" senior trip, she has guided and advised us with patience and understanding. The officers of the Senior Class all wish to thank her for her efforts.

Another model of sterling qualities can be found in the person of Mr. Crittenden. He has been quite a friend to so many of the members of our class throughout the years and was always there to listen. His overwhelming charm, wit and dashing good looks were greatly appreciated by all who came to know him.

The class wishes to thank these two people for their interest and their time. We respectfully dedicate the yearbook to them, and hope they find much luck and success in the future.

In Memory Of Chuck Fisher

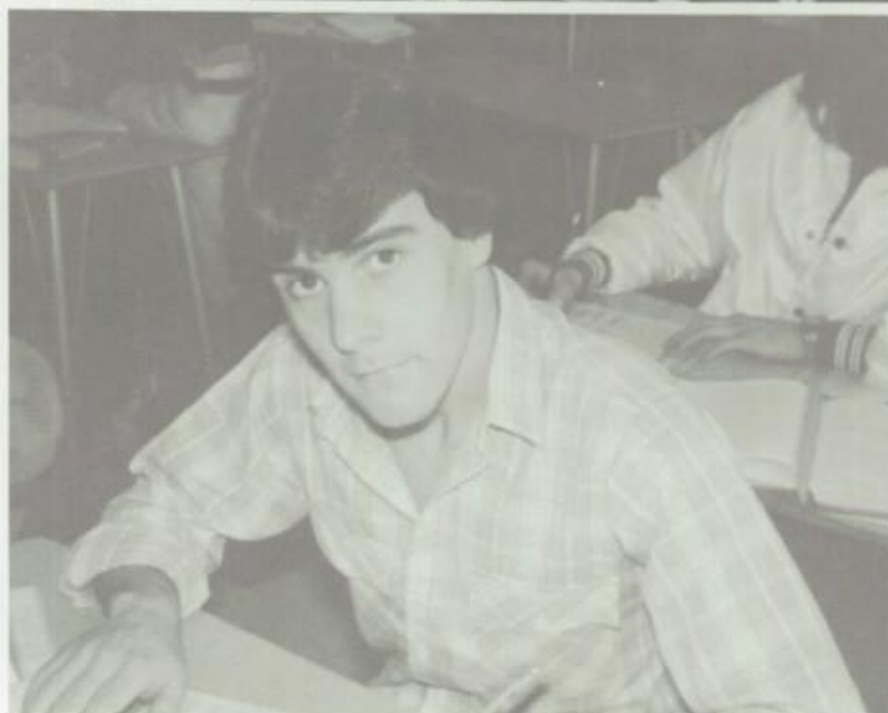

Just sittin' here and thinkin', friend,
And wonderin' how 'twould be,
If I had not known you at all
And you had not met me.

All things we've shared would then be lost,
The smiles and heartaches, too --
The world would be a dreary place
If I had not known you.

But these fond memories through the years,
All the fun times, too,
Just make me thankful you knew me
And glad that I knew you.

Yearbook

The staff of the 1981/82 Unaliyi was, although small, a hard working group. We were privileged to have had four very dedicated editors that kept everything flowing in a basically smooth manner. As editor, Senior Maryellen McClain did a commendable job organizing and planning. Sports editor, Kathy Donnelly was always on top of the latest sports scoop. Amber Eshelman, as activities editor and Barb Prescott, as business editor, both did outstanding jobs planning and tying up loose ends. The staff always worked to capacity and made a sincere effort to make this yearbook one to be proud of. Of Course, nothing would have been possible without the sincere interest and patience of our advisor, Mrs. Hartman.

Check it out!

The foreign exchange club is an important organization at S.H.S. Every year we are fortunate to have students from different countries attending our school. Souder-ton students also have the opportunity to visit other countries. Without the services of this club, the visiting students would feel lost.

This year was a busy one for the club. They sponsored numerous activities including two international weekends. The club also helps us fight the munchies by selling soft pretzels after school.

This year's visiting exchange students are: Aralicia Alvaro, Sandra Mereno, Rignor Strommen, Peter Wallin.

As always, the Ski Club is a very popular organization here at Souderton. The club took advantage of the cold, snowy weather by planning quite a few trips to various resorts. In spite of a few "minor" problems (disabled van, tree rescue . . .) everyone had a good time and appreciated all the help and patience displayed by the clubs advisors, Mr. Hill and Mr. Calamia.

The FHA organization is made up of students interested in the homemaking field. Mrs. Swartz, the clubs advisor, kept the club members busy selling calender towels, stationery greeting cards, organizing a community cookbook, collected "Toys for Tots" and collecting donations for the American Cancer Society. They also sponsored a roller skating party this year.

Future Business Leaders Of America

FBLA is an organization for students interested in the area of business. Locally they were involved in a jewelry fund raiser and a "Welcome in the New Year" dance. They also participated in the FBLA Regional Convention at Spring Ford High School and the State Leadership Convention at Host Farms Inn in Lancaster.

The Folk Lore club meets about once a month during the a.m. and p.m. homeroom mods. Their meetings consist of getting together and making items from different cultures. By doing this, they experience first hand a lot of things people around the world do in their spare time. A few of the projects are: the Japanese art of origami, making apple head dolls, and Pennsylvania Dutch Fraktur. It is a club made up of people who enjoy doing new things and working with their hands. The members enjoy it immensely.

North Montco Students

The North Montco Vocational Technical School provides students with the opportunity to learn a trade. The students are kept busy learning special techniques and skills in order to prepare them to work in a certain field or even to own a business. They are often involved in local and state competitions and usually come home award winners. Often the vo-tech students are treated far too lightly. They are hard working, skilled young people preparing for their future.

Chris, doing her thing!

This year's hockey season was a very discouraging one for team. They started off well but ended with a few losses because of flick-offs and therefore missed their chance for Bux Monts. There were seven returning varsity players from the 80 season such as Tami Landes, Jenny Trowbridge, Chris Lacy, Faith and Beth Cowell, Toni Bartholomew, and Missy Blank. The three captains were Faith, Beth, and Chris. The team was very strong and their record of 5-4 showed that they were not a losing team. For example, the last game of the season against West seemed to show their endurance, for they came up with a victory of 1-0 in overtime. The following were made BuxMont awards: Faith Cowell, Beth Cowell, Chris Lacy, Jenny Trowbridge, and Toni Bartholomew. Coach Ramsey was pleased with the season and hopes for a good-season next year.

Words of wisdom from our leader!

This year was a rough season for the Cross Country team, but the team members always managed to look on the bright side of things. The S.H.S. runners were able to pull through with one non-league win and one league victory. The pride of this year's team was Lane Wurster, who captured thirteen first-place honors out of fourteen meets. Souderton's league consists of many powerhouse schools with large, talented teams. This year's team was extremely hard-working, and Coach Crittenden stressed striving for self-improvement, which made it rewarding for all!

Heeeeeeeer's Beth!

Time out I can't see.

Many enthusiastic girls partitced in this years volleyball team. Since the team was not considered a part of the Dux-Mont League, most of the games were played on Saturday afternoons against other non-league teams. Beth Kooker did a fine job as captain of this years squad. This years team showed spirit and dedication throughout the 1981-82 volleyball season.

Although the 1981-82 tennis season was not a success on the courts, it was a fun-filled, action-packed one. Everyone worked hard to improve the team and their own games. Our #1 player, Karen Borits, made a remarkable leap from J.V. to varsity in one season. Other varsity players included Angela Copely, Vanessa Dippl, Judi Cooper, and Ellen Silva all playing singles. Doubles teams consisted of Colleen Nushke and Denise Kriebel, Stacy Reisenweaver and Tanya Godshall, and Lynne Grafton and Maryellen McCain. Another varsity player that saw action this year was Kathy "Arnold" Donnelly. This year's team would like to thank Coach Barnhurst for a decent season, and also to wish next year's team the best of luck.

I'm tired of the "Swede" on my shoulders.

Apparently soccer is becoming a very popular sport because this years team attracted many fans. Soccer is an aggressive sport and this years team showed this aggressiveness. Their record for the 1981 season was 7-7-2. Each player gave their best shot!

Five players were named to the Bux-Mont team. First team—Harry Hoff; Second team—Mark Gerstenslager; and, Honorable Mention—Collin Becker, Don Patterson, and Rick Palmer. Congradulations to these five players and the rest of the team.

Football season always seems to be the most exciting time of the school year. This year's team was very aggressive and worked together even when the chips were down. The Big Red was always exciting to watch even though the team did not come up with a league win until the last game. Even so, it was never the less a big victory, beating Upper Perk 34 to 21. Every player gave their best and that is the name of the game. Good luck to the seniors and next year's team!

Look out Mr. Nottle, this one's for you!

Good form -lousy shot.

A good swing.

Mark has a firm grip on things.

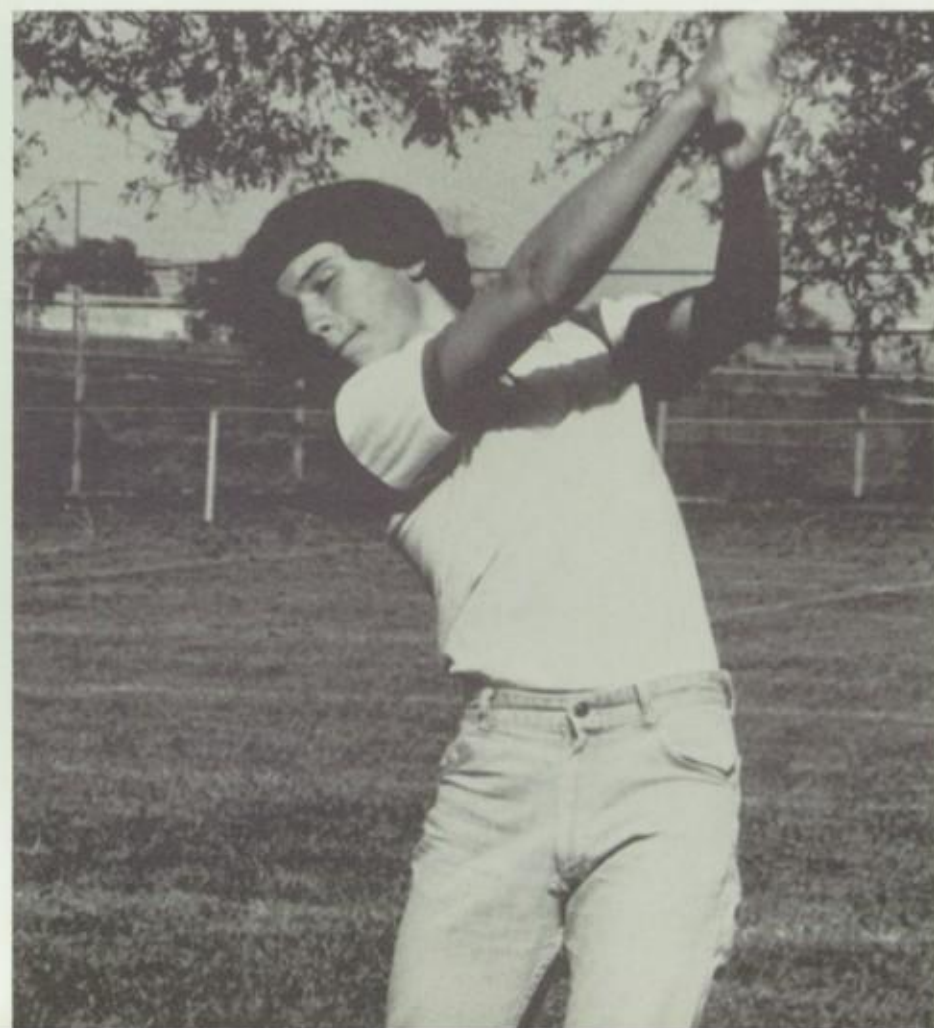

"Ed, on that swing, you almost rook off your belly button."

Souderton's golf record wasn't quite up to par this season but the team did show improvement as the season progressed. The team was credited with a 3-8 record and starters consisted of T. Landis, R. Herbein, M. Freed, E. Mikolaitis, R. Peterman, P. Putera, J. Schlesman, and S. Klee. Paul, Scott, and Joe also were Souderton's representatives at the district golf match.

Row 1: J. Moyer, R. Schwenk, G. Barndt, H. Bridges. Row 2: Coach Jarinko, A. Booz, S. Polonus, D. Tabisz, S. Diehl, R. Hess, Coach Wood.

During the fall season at S.H.S., the gym floors were empty except for the few young men who seemed to practice hour after hour preparing for the upcoming basketball season. This year's team was young and inexperienced (only two seniors on the team) but they worked hard and improved with each game. They learned to be aggressive and play together as a team. Senior Steve Diehl played an important part as forward on this year's team. Steve Polonus, who was sidelined with a knee operation early in the season, also played an important part of the squad. One cannot forget the underclassmen because they too worked long and hard to make the 1981-82 season the best possible. Thanks guys!

Gymnastics

Coach Eshbach gives expert advice on bar techniques.

The 1981-82 Girls Gymnastics team was a group of hard working and devoted athletes. Seniors Steph Lewis, Kristi Denner and Missy Gamble contributed their usual fine performances and were accompanied by quite a few talented underclassmen. Coach Eshbach was proud of her girls and has big hopes for next year.

Dedicated to Mr. "Bucky" Price

Who is the great man?

Listen, I will tell you: He is great who feeds other minds. He is great who inspires others to think for themselves.

He is great who tells you the things you already know, but which you did not know you knew until he told you.

He is great who shocks you, irritates you, affronts you, so that you are jostled out of your wanted ways, pulled out of your mental ruts, lifted out of the mire of the commonplace.

Mr. Price has influenced many students during his years of coaching. Through dedication and hard work, he has developed a winning tradition in girls basketball. In 16 years as head coach, Mr. Price earned a 134 - 62 record including a 47 game winning streak in 1970 - 74.

Not only was he a winning coach according to his record but he was also a well respected person in the eyes of all the young women he coached.

Thank you "BUCKY" Price for contributing so much to the school! You will be missed!
